

### **Week 3: Unity**

- Take a couple of minutes to name some famous duos (e.g., peanut butter and jelly, SpongeBob and Patrick, Rhett and Link, etc.).
- When we say the word unity, what comes to mind?
- When have you experienced unity with other people? What was that like?
- Have you ever had a friend point out your failures to you? What was that like?
- Read Galatians 6:1–2. What advice does Paul give about being more unified? How can you practically share another person’s burdens?
- Read Hebrews 10:24–25 together out loud. What would it look like for you to spur someone else on toward love and good deeds?
- How can you be a better friend this week?
- How can we pray for you this week?
